In the News Today's youth cultures have made a habit of rebelling against established norms, norms and norms. This is not a bad thing—indeed, it is quite desirable. It is perfectly natural to question what is and what is not appropriate. In the world of work, finding a job is about much more than a paycheck and benefits. Today's technology has revolutionized the way we interact and conduct business, creating immense opportunities for those who succeed. It's hard to believe, but back in the early 1980s, people were living with massive amounts of debt while still living paycheck to
